# Managing Your Business Through Stormy Weather

*Better Business Series Workshop*

This workshop focuses on practical strategies and actions you can take in your business to help get through the recession.

## Experienced Facilitator

**Brenton Leitch** of **Learning and Productivity**

will present the following topics

- Three perspectives that underpin your business
  - The current business environment and your business
  - Developing strategies and actions to generate sales
  - An introduction to business financials including Cash Flow Management
  - Practical strategies for reducing expenses
  - Leadership in tough times (Urgency, Inspiration and Hope)
  - Holding the right team together
  - A powerful technique for communicating your plan to others in the business
  - Bringing it together into a Plan for Action - 'Things to do **NOW**', the A3 Plan on a page approach
  - Additional SA Government expert services available to you
- .... And more

**The emphasis will be on practical tools and techniques you can put into place immediately.**
